

To Learn even more on Augmented Reality, I have courses on Augmented Reality using Vuforia and using Google's ARCore SDK in Unity. You will learn how to apply your AR knowledge to real world applications.

**FREE AR Business Card Crash Course for all my Students:**

 <p><b>Create Fast Professional Website Page Design in...</b> Arduino Startups, Masters in Electronic Engineering... ★★★★★ (2) R750</p>	 <p><b>Internet of Things using Augmented Reality in Uni...</b> Arduino Startups, Masters in Electronic Engineering... ★★★★★ (21) R1,500</p>	 <p><b>Create Augmented Reality Apps using Vuforia in Unity</b> Arduino Startups, Masters in Electronic Engineering... ★★★★★ (142) R1,500</p>	 <p><b>Fun &amp; Easy Embedded Microcontroller...</b> Arduino Startups, Masters in Electronic Engineering... ★★★★★ (22) R1,500</p>
 <p><b>Zynq Training - Learn Zynq 7000 SOC device on...</b> Arduino Startups, Masters in Electronic Engineering... ★★★★★ (29) R1,500</p>	 <p><b>Xilinx Vivado: Beginners Course to FPGA...</b> Arduino Startups, Masters in Electronic Engineering... ★★★★★ (45) R1,500</p>	 <p><b>PCB Design a Tiny Arduino In Altium CircuitMaker</b> Arduino Startups, Masters in Electronic Engineering... ★★★★★ (410) Free</p>	 <p><b>Learn Computer Vision and Image Processing in...</b> Arduino Startups, Masters in Electronic Engineering... ★★★★★ (86) R1,900</p>
 <p><b>Windows 10 C++ App Development for Startups ...</b> Arduino Startups, Masters in Electronic Engineering... ★★★★★ (8) R1,900</p>	 <p><b>Master Online Dating and Attract Women within 2...</b> Arduino Startups, Masters in Electronic Engineering... ★★★★★ (6) R1,800</p>	 <p><b>Learn PCB Design By Designing an Arduino Nan...</b> Arduino Startups, Masters in Electronic Engineering... ★★★★★ (199) R1,900</p>
